HOUGHTON COLLEGE, Houghton, N.Y.

The Willard J. Houghton Library

The Christian student must be acquainted with a wide span of literature, including much of the worthy and some of the unworthy.

The Christian student recognizes that an enemy has sown tares in the wheat of God's truth.

Inclusion of this book in the library does not imply endorsement by Houghton College. The student must prove all things, holding fast the good; the teacher must rightly divide and interpret all in accordance with Holy Scripture.
